

Thank You Letters

Funding and support for the STARBASE program is established as a part of the general budget, and then allocated through the Department of Defense. We would like the students, teachers, parents and principals to express their appreciation for providing this valuable educational program to your community by writing thank you letters or emails to individuals who are making this program possible:

- The Honorable Bill Cassidy
United States Senate
5555 Hilton Ave
Suite 100

contactform.htm](https://fleming.house.gov/contact/contactform.htm)
- Mr. Michael O'Toole
Office of the Assistant Secretary
of Defense
Manpower and Reserve Affairs
(Reserve Integration)
1500 Defense Pentagon *
Washington, D.C. 20301 - 1500

If you'd like, you may return the children's thank you notes to the STARBASE staff in the provided envelope for us to forward in bulk to the appropriate designee. *Keep in mind that letters which will be sent to the Pentagon will have to be scanned and sent as electronic documents. Make sure they are written on paper than can lay flat on a scanning device. If you select to have students email our government officials, we suggest that they type their thoughts in a word document for you to approve and then cut and paste it into the email form found at the web addresses above. Letters from teachers, administration, and parents can be sent directly to the addresses listed above. Thank you in advance for your cooperation and help in ensuring the program has the support and funding necessary to continue service in our community.
